Details:

Channel 15 WDSC out of Daytona Beach Florida is a PBS channel that broadcasts an AL JZERRA show at 7:00 p.m. I was active duty Army (Infantry) from 1997 to 2006 and I have been an Army reservist since 2007. Since this is a publicly funded station this has really concerned me and I do not have the resources to look into this. I did contact a Karen Noonan at the station and she replied it was ok because it was AL JAZERRA English. My military instinct is that since this organization has been anti-American who is funding them. I would like to know what I can do to remove this from American air waves. Thank You
